

WHY WORK WITH TECHNOVATION SYSTEMS INC?

OUR KNOWLEDGE & EXPERIENCE IN BUSINESS & TECHNOLOGY SAVE TIME & MONEY

WHETHER DEVELOPING BUSINESS INTELLIGENCE SOLUTIONS, A LABORATORY INFORMATION SYSTEM, WRITING A STRATEGIC IT SERVICE PLAN FOR A NEW BUSINESS UNIT AT A TELECOM, OR WORKING WITH A FINANCIAL INSTITUTION ON TREASURY COMPLIANCE, OUR CLIENTS UNDERSTAND OUR VALUE PROPOSITION AND COMMITMENT TO THEIR BUSINESS OBJECTIVES.

OUR OFF-SHORE DEVELOPMENT CENTER ALLOWS US TO DEVELOP COST-EFFECTIVE ENTERPRISE SOLUTIONS FOR FORTUNE COMPANIES, SME'S, AND FUNDED START-UPS.

FOR SOME CLIENTS, WE PROVIDE CUSTOMER SUPPORT, ON-GOING MAINTENANCE, AND CONTINUED SOFTWARE DEVELOPMENT SERVICE. FUNCTIONING AS THEIR IT DEPARTMENT.

With a myriad of products to choose from at any given time, IT Managers or Business Owners either have to develop the expertise in each product area in order to decide what the best solution is for their company. Technology professionals or business owners can read the product literature, but until you go through implementation of a solution and experience daily use with a product, it's really hard to assess ease of use, the knowledge of the vendor support personnel, the effectiveness of the chosen solution for your business needs, cost of customization and ease of adding other applications that you may need.

This is a tall order, given that running your daily business generates significant demand. While there are many consulting firms in the market, some re-sellers of third party products, and software companies that develop customized applications, Technovation Systems consultants Work with you to understand the business problem you are trying to solve. We believe that IT application solutions should become a source of business intelligence and add value as a business tools to grow your business. Technovation Systems consultants combine formal MBA and Computer Science credentials with years of experience. Send us an email or give us a call to discuss your needs. We look forward to working with you.
